IMPORTANT - Before loading your child for the first time familiarise yourself with all the fittings and straps.

1. Attach the seat directly to a table without a tablecloth or table pads.
2. Adjust and tighten both clamps securely to the table.
3. Check that the table will not tip when the seat is in use.
4. Place your child in the seat and fasten the safety belt.
5. Give them food.

Caring for your metoo

When clean up time rolls around, just wipe metoo down with a damp sponge or soak it for a few minutes in warm water with natural soap. Let it air dry and it's ready for the next meal.

Do not store the metoo wet. Do not wash with harsh soap, solvents, bleach or detergents which may harm the fabric.

Store in a well ventilated space, away from direct sunlight (which can harm and fade the fabric) and moisture.

**IMPROPER CARE WILL VOID ANY WARRANTIES.
DO NOT USE metoo IF DETERIORATION IS DETECTED
OR SUSPECTED.**

warnings

Please follow the warnings carefully. Failure to do so may result in injury to the child.

Never leave a child unattended in the portable seat. The person in charge bears the responsibility for attaching the seat firmly to a safe and stable structure and securely fastening the child safety belt.

Do not use if damaged or worn. The metoo seat is not suitable for glass topped, bevel edged, centre-column, card or similar tables. It is designed for children who are sitting up on their own, up to three years of age or weighing no more than 18 kgs(40 lbs)
